

PRAYER CHAIN MINISTRY

We have arranged three groups, which will help to pass along requests in a timely manner when serious or urgent situations are brought to the attention of the **Pastor (785-3997 or 785-3829)** or **Helen Hoglund (785-3848)**,

We will activate all three groups and quickly begin prayer support of the person and problems concerned.

Less urgent requests can always be brought to the Pastor's attention for Sunday morning worship time.

Thank you to all who will be taking part in the new Prayer Chain Ministry.
